The League of Dresden fall officers instigated many exciting activities in the fall. The year started off with the Big and Little Sister Party which was a big success. Other activities included the annual Christmas dance and the Dad-Daughter Dessert. Pictured at left are the Fall Officers. Left to Right are Row 1: Linda Wagner, Sandi Wagner. The league of Dresden Dad-Daughter Dessert

The League spring dance, appropriately named "The Age of Aquarius" blew the student body's mind with a fantastic new idea; a boutique fashion show for both guys and girls. The traditional Mother-Daughter tea was held in May, but with a new twist; pictures of each girl with her mother. Pictured, are the Spring officers: Dee Johnson, Tori Oakley, Connie Pennell, Suanne Yonkie, Ann Walters, Lori Churchill.

New president, Dee Johnson, hopes to follow in Kris Hovde's footsteps.

The A.S.B. started things off with a bang this year with a groovin' Hello Week. Each day of the week various activities were held. The climax of the week came at the first dance of the year, when the friendliest boy and girl of each class were chosen. Other activities of the A.S.B. were the annual Hope Drive which raised well over a thousand dollars again this year. The A.S.B. was aided greatly by their advisor Mr. Wallace. This semester also saw the beginning of the Ferris Round Table.

One of the many activities of Hello Week was the hilarious three-legged race.

The second semester A.S.B. officers were installed in the traditional double con in February, at which, Ferris's first Lilac princess, Suzie Harris Wilcox, socked it to the student body about the early days at Ferris. This launched the A.S.B. into an active and hopefully "meaningful" semester, beginning with the mysterious Merlin show. The Ferris Round Table gained momentum as the semester progressed and proved itself as an interesting experiment.

The Ferris Key Club, a service organization sponsored by the Kiwanis, held many varied activities throughout the year. The Car Rally was an exciting event in the fall. The paper back book drive was held to raise money for the Key Heart Dance. At the dance, Sharon Dullanty was chosen the club's Key Heart.

"Key Heart" lockers allowed students to vote for their favorite candidate previously picked by Key Club members.

The long awaited Key Heart Dance relieved the girls tension when the winner was announced.

Excellence in musical endeavors

The Music Dept.'s production, "Camelot"

The Ferris High Music Dept. presents several programs during the year, including annual Christmas and Spring Concerts. In November, they presented "Camelot". The vocal arrangements were directed by Mr. Elmer Peters, and the orchestra was directed by Mr. Wayne Summers.

Performances at Ferris and around Spokane were given by these girls, the Canterbury Belles. One especially impressive performance was seen at the League of Dresden talent con, a touching seven minute song from Fiddler on the Roof.

The Journalism staffs had an interesting year under the guidance of their new advisor, Mrs. Barbara Cozad. Mrs. Cozad was notoriously known for her sense of humor, and her nimble banjo fingers. The success of the department can be largely attributed to her efforts. Seen at left are Mrs. Cozad with Nancy Schultz, Saxon Chronicles editor, and John Snyder, Exeter editor, outside the Journalism staff room.

Quill and Scroll is an International Honorary for students showing outstanding talents in the journalism field. The Ferris chapter was named for Spokane journalist, Mrs. Dorothy Powers, who was honored along with new members, at a reception given by Mr. and Mrs. Cozad, in the fall.

Juniors Tommorrow's Leaders

The Junior Talent Con this year was the best Junior Con ever. It featured all Junior talent. Some highlights of the show included: Vaughn and Aker, a folk-rock duo; Joan Westover and Rhonda Hawkins, each with a vocal solo; a girls' football team; Adam's Burlesque, a dance line; and another dance line, the Soul Sisters.

HERE IT IS ANOTHER JUNE

But there was never one like this for you, the members of the class of '70.

You stand on the first of many pinnacles that will be coming in sight. No need to look back, that trail has been climbed.

Look at the horizon, those peaks are equally attainable.

May you travel among friends.
